It's on my radar.

Just give me a heads-up if ...

It's not rocket science.

Let's take ... to the next level.

What's our USP?

Let's do some blue-sky thinking.

Let's touch base next week.

First, we should go after the low-hanging fruit.

We could still streamline this process.

It's a no-brainer.

We should use synergies effectively.

We need a paradigm shift.

Just to make sure that we're all on the same page

It's a win-win situation.

Let's have a kick-off meeting next week.

I think we're in the same ballpark.

We need to think outside the box.

I'm sorry, I was out of the loop.
